

# York Modelmaking

## O Gauge Price List 2020

We offer a unique range of model making components. We laser cut plastics, timbers and card to produce perfect results with realistic depth, intricate detail and longevity. All Items are supplied in kit form.

If you don't find the exact size or design you are looking for, we are happy to make adjustments to our standard range of items for a small charge, or provide you with a quotation for a bespoke service.

## Ways to order

**Online Shop** - [www.YorkModelRail.com](http://www.YorkModelRail.com)

**By Phone** - Call us on 01904 400 358

**By Post** - send a cheque payable to York Modelmaking

Please add £3.50 for P&P

For delivery outside the UK please request a quote before sending payment.

# York's Magnetic Mates

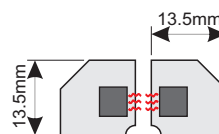

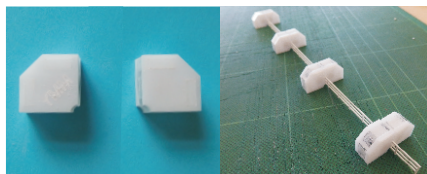

Magnetic Squares and Clamps - snap together to hold your model parts square whilst the glue sets.

They can be used to hold sections vertical as well as at right angles and can be used in various configurations, as per the diagrams. Cut away corners prevent the glue from sticking to the tool. These are not toys - Keep away from children
